Hello Nicole,

I would like to thank you for all your help and support on this project. It is excellent that the EHBID is reaching out to the Mr. Kevin James to express your support on this project and to gain their trust in helping us move this project forward.

I also left you a voice message at your office excusing myself from tomorrows meeting. Unfortunately, I will not be in the office tomorrow. I also check Mr. Carlos Rios calendar and he has a busy day scheduled for tomorrow afternoon, which looks like he will also not be able to attend the meeting as well. I am very sorry for our office not being present at tomorrow meeting. I spoke to George Hakopiants and explained our office unavailability for tomorrows meeting. He will be helping us ensure that Mr. Kevin James understands the City's interest in having the two additional median island built on Vermont Ave. If you have any future questions or concerns on the project, please do not hesitate to contact me.

Thank you and have a great day.
